PROFILING TALK

RISK MANAGEMENT – STAYING RESILIENT IN THE GENERAL INSURANCE INDUSTRY

Ever wondered how the economy work? Worried about the economy crisis may affect your career prospects upon your graduation? The General Insurance Association of Singapore has invited Mr. Ben Liang, Senior Underwriting Manager, Non-Life Treaty Division of Allianz SE Reinsurance Branch Asia Pacific to share his success stories with you and, at a panel discussion address this hot topic that has panicked and worried many of our young and bright talent about their future.

There will also be a networking session for the students, the speakers and GIA representatives right after the forum.

Come and join us at this talk designed with you in mind.
