

UP FOR A CHALLENGING CAREER?

THE RISK MANAGEMENT AND INSURANCE INDUSTRY

Be different.

Stage YOUR Career Success.

Date: 19 Sep 08, Friday

Time: 4:00-6:00 pm

Venue:

~ GOOD THINGS IN LIFE ARE SELDOM FREE - The BEST ARE SOMETIMES FREE ~

YOU HAVE TO BE HERE TO KNOW.

Dear Graduating Students

How are large commercial risks managed? What do actuaries, marine surveyors, underwriters and risk managers have in common? And, how do you fit into the risk management and insurance industry, one of the fastest growing segments in our financial industry?

For the answers to all these questions, join us on 19 Sept 2008, to get the inside view from experienced industry representatives, Mr. Douglas Lum of Allianz Reinsurance Asia Pacific Pte Ltd and Mr. Ben Liang of Benfield Asia Pte Ltd will speak on 'Up for a Challenging Career ? The Risk Management and Insurance Industry.' Ms. Li Xue will share her internship experience under Global Internship Experience Programme. Mr. Philip Cheng from IBF will also speak on how the Financial Industry Competency Standards provide you with a defined professional development roadmap to guide you towards professional excellence when you enter the industry.

We invite you to join us for this talk which will give you a greater understanding and provide an in-depth discussion of a business which is an integral part of the global economy.

This will also be a fantastic opportunity for you to find out from the excellent panel of risk professionals on what it means to deal with risks on a daily, real time basis. Only when you discuss with the real risk professionals will you know what it takes to be a part of this exciting industry.

Students from any discipline who are interested in a career in the risk management and insurance industry.

See you there!

About The Institute of Banking and Finance (IBF)

IBF is a non-profit organization with the mission to develop a responsive and forward-looking financial sector training infrastructure that positions Singapore as a world-class training hub. The Institute works closely with industry players, institutions of higher learning, training companies and government agencies like the MAS and the Singapore Workforce Development Agency to meet the manpower and skills needs of the financial services sector.

About General Insurance Association of Singapore (GIA)

The General Insurance Association of Singapore is the General Insurance industry's trade association whose membership comprises 31 Ordinary Members, licensed by the Monetary Authority of Singapore (MAS) to transact general insurance business in Singapore.

It aims to promote and advance the common interests of members and the General Insurance industry.

The GIA Constitution **empowers** the Management Committee to embark on activities that **promote** and advance the common interests of members and the General Insurance Industry through:

- Fostering public confidence in and respect for the insurance industry
- Representing members' interest to Government, trade organizations, similar associations and companies in other industries
- Establishing a sound insurance structure and promoting greater efficiency within the industry
- Promoting education and training in all aspects of insurance
- Being a good corporate citizen

About the Speakers

MR. BEN LIANG
BENFIELD ASIA PTE LTD
TEAM METRICS TEAM LEADER

Mr. Ben Liang is the ReMetrics team leader for Benfield Asia. Ben has over eight years of experience in the property and casualty insurance industry with majority of that focused on reinsurance. His experience in the reinsurance sector includes analyses of workers' compensation, property per risk & cat, medical malpractice, professional liability, general liability, and commercial auto risks. Ben is also active as a technical broker assisting clients and colleagues with complex transactions.

Ben is an associate of the Casualty Actuarial Society. He is also a graduate from the University of California at Berkeley with a degree in economics.

MR. DOUGLAS LUM
ALLIANZ REINSURANCE ASIA PACIFIC PTE LTD
GENERAL MANAGER, LIFE AND HEALTH DIVISION

Mr. Douglas Lum holds a degree in Actuarial Science and he brings with him over 15 years of experience from the North American and Asian markets in both the direct insurance and reinsurance industry. He originally worked in actuarial positions dealing with valuation, product development and pricing, and subsequently held various lead positions in accident and health and special risks reinsurance before uprooting from Toronto, Canada and settling in Singapore in 1998 with another international reinsurer. Douglas joined Allianz Reinsurance in the latter part of 2002 as the head of business development within the Life and Health division, and has recently taken on the role as General Manager of the Life and Health operation.
