

# MARITIME SHIPPING KNOWLEDGE SESSION TWO

## Feedback on Seminar on " Ship Management, Future Trends, Challenges & Opportunities", 1 August 2007 Wednesday

With Singapore's fervent push towards becoming an international Marine Insurance Hub, General Insurance Association of Singapore (GIA) in conjunction with the Singapore Maritime Foundation (SMF) has been organising a series of Maritime Knowledge Shipping Sessions to upgrade the expertise of marine practitioners in the market. From all indications, the sessions have been very well received by the insurance community thus far.

The 2<sup>nd</sup> Maritime Knowledge Shipping Session – entitled " Ship Management, Future Trends, Challenges & Opportunities" was held on the 1<sup>st</sup> August 2007 at the Capital Towers.

GIA invited two speakers, Mr. Lim Tau Kok of PACC Ship Management Pte Ltd and Mr. Stephen Ainscough of Thome Ship Management Pte Ltd (who are both experienced in the marine industry for more than 10 years) to speak on the following topics:

- Ship Management
- The Operations of Gas Tankers

This session was well attended by 108 delegates from various maritime industries. They included Underwriters, Marine Superintendents, Marine Engineers, Ship Brokers, Technical Managers, Shipping Managers, Students, etc.

The session was very well received by the delegates given their largely positive feedback as detailed on page 2 of this sheet.

For more information on this Maritime Knowledge Shipping Session or if you would like to share your technical experience in Maritime Knowledge Shipping Session, please kindly contact [cecilia.pay@gia.org.sg](mailto:cecilia.pay@gia.org.sg) or send your queries to [feedback@gia.org.sg](mailto:feedback@gia.org.sg)

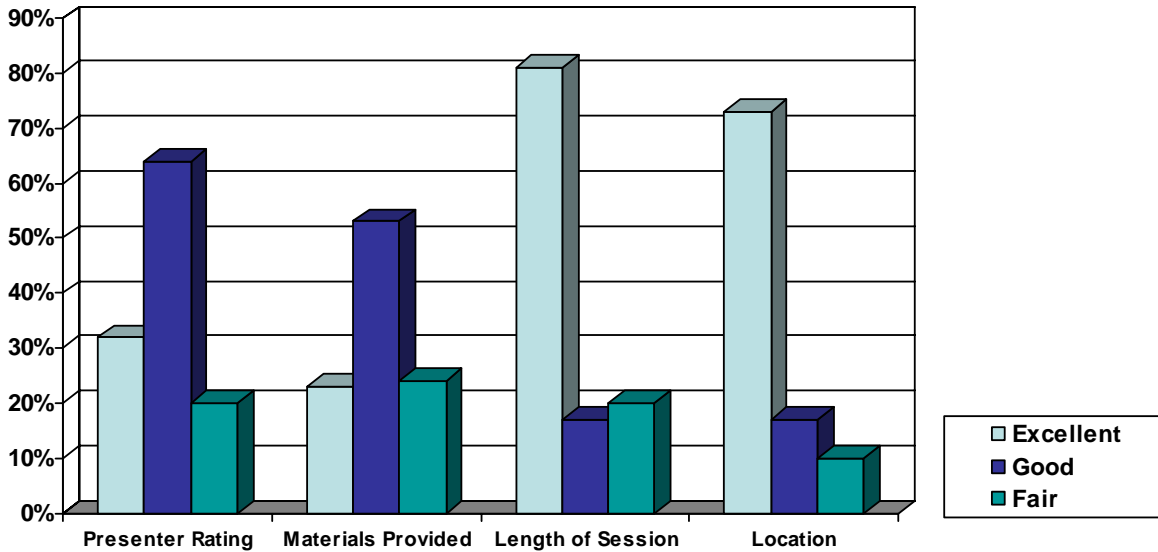

The next Maritime Shipping i.e. Session 3 will be announced shortly in our website at [www.gia.org.sg](http://www.gia.org.sg). Stay tuned.

### ~ FEEDBACK ~

#### Suggestions for improvements:

- Marine Industry related video or recent news issues updates
- Provide 1 or 2 pages of blank papers for notes taking
- More presentation materials to be provided based on speakers' topic
- Provide hard copies of presentation materials or relevant information to participants
