GIA Swing for Charity 2016

Maritime Knowledge Shipping Session 33

GIA Knowledge Seminar Series – Cyber Risk Insurance Seminar

First started in 2006, as a corporate social responsibility initiative by the GIA to give back to society, this year's Swing for Charity golf tournament marked a milestone year for this event.

A decade into this initiative now, the Swing for Charity golf tournament event continues to see strong support from the General Insurance community and partners each year.

The GIA Swing for Charity 2016 was held at the Tanah Merah Country Club on 18 August and saw close to 140 golfers take to the green. This year, the industry came together to raise over \$100,000 for two beneficiaries, the Movement for the Intellectually Disabled of Singapore and the Society for the Aged Sick.

GIA would like to take this opportunity to thank all sponsors, golfers and partners who have given generously and we would like to extend our appreciation to everyone for contributing to this worthy and noble cause.
